

STARCOMM - STANDARD CUSTOMER TERMS FOR PROVIDING RENTALS, SERVICES OR SALES

These terms and conditions (herein, the "Agreement") set forth the agreement between the STARCOMM entity ("STARCOMM") identified in the proposal, work order, field ticket, delivery ticket, notes to pricing, contract or invoice referencing this Agreement or to which this Agreement is attached (the "Order Document"), and the customer (the "Customer") identified in such Order Document, relating to STARCOMM providing to Customer (i) products, materials, supplies, machinery, parts, tools or equipment (the "Equipment"), (ii) services ("Services"), (iii) rental of Equipment ("Rental"), or sales of Equipment ("Sales"), and all Equipment, Services, Rental and Sales are referred to collectively as "Transactions" with respect to the matters in this Agreement. STARCOMM's acceptance of Customer's order is expressly conditioned upon Customer's assent to, and all Transactions will be only in accordance with, this Agreement, notwithstanding different or additional terms and conditions contained on any of Customer's forms, which are hereby objected to and rejected, and which will not be binding on STARCOMM. Further, in the event that STARCOMM signs and returns an acknowledgement copy of a Customer work order, purchase order, service agreement, lease, rental agreement or similar document relating to STARCOMM's providing Equipment, Services, Rental or Sales to Customer, the Customer agrees that STARCOMM signature thereon is provided solely (i) as an accommodation to Customer for Customer's internal administrative purposes only, (ii) does not signify STARCOMM agreement to any terms or conditions contained therein which vary, conflict with, or impose additional obligations to the provisions set forth in this Agreement and (iii) shall be void and of no force or effect and shall not alter, modify, amend or otherwise change the terms of this Agreement. The failure of either party to enforce any provision hereof will not constitute a waiver or preclude subsequent enforcement thereof. No partial invalidity of this Agreement will affect the remainder. **Notwithstanding the foregoing, in the event that STARCOMM and Customer have a fully executed, unexpired and valid Master Service Agreement or other agreement in place that governs their relationship with respect to Transactions between STARCOMM and Customer (an "Existing MSA"), then this Agreement shall not apply and will be of no force or effect.**

1. Prices.

A. Customer agrees to pay STARCOMM for the Transactions ordered in accordance with the prices set forth in the Order Document, subject, however, to adjustments to conform to STARCOMM price schedule prevailing on the date of (i) delivery of Equipment made the subject of the Sale or Rental, or (ii) performance of the Services. All prices and rates quoted are exclusive of all shipping charges, mobilization and demobilization, customs expenses, import and export expenses, duties, federal, state, local and foreign sales, use, excise and withholding taxes, value added taxes, and other taxes ("Transactional Taxes") that STARCOMM is required by law to collect or that Customer may incur in connection with the use of, or in connection with the payment for, the Transactions. Customer shall advise STARCOMM of its Transactional Taxes status and shall provide STARCOMM with appropriate documentation to support such Transactional Taxes status claim. Customer will promptly notify STARCOMM of any change in Transactional Taxes status and will reimburse STARCOMM for any expenses incurred by STARCOMM resulting from that change. Such charges, if any, shall be for Customer's account and if incurred by STARCOMM then separately stated in STARCOMM's invoices. All documentation, legalization and related items will be Customer's responsibility and account unless otherwise agreed in writing by an authorized STARCOMM signatory.

B. Prices are quoted from the STARCOMM facility where the Equipment made the subject of the Transaction is made available, or from which the personnel providing the Services depart (the "Departure Base"). Customer will arrange for shipment of Equipment and pay for all crating, handling, shipping costs, and all mobilization and demobilization costs, if applicable. If Customer requests STARCOMM to arrange for shipment, STARCOMM may at its own election, ship to Customer in a commercially reasonable manner, at Customer's sole risk and expense. STARCOMM may charge twenty percent (20%) of the shipping costs as an administration fee when STARCOMM makes shipping arrangements. Personnel travel and related costs will be as specified in the Order Document, or if not specified then pursuant to STARCOMM's then applicable rates.

C. Prices are based on STARCOMM's standard procedures and specifications for: (i) performing Services, and (ii) manufacturing and testing Equipment. All costs of additional labor, materials or outside service for modification of such procedures or specifications requested by Customer will be charged to the Customer, including direct and indirect costs, such as technical support, labor, overhead, administrative costs, and shop supplies.

D. Prices for Sales and Rentals may not include the cost of personnel or equipment or aids required to install any Equipment. Upon request, STARCOMM will provide such personnel and equipment or aids at its then applicable rates.

E. Order Documents agreed to by Customer and STARCOMM may be cancelled or modified only with STARCOMM written consent. By executing the Order Document referencing this Agreement or by accepting the Equipment, Services, Rental or Sales, Customer agrees to be bound by a subsequent written (including by email, facsimile, text message) modifications to the Equipment, Services, Rental or Sales, and pricing reflected in the original or subsequent mutually accepted Order Document (including a paid invoice). Any cancellation, modification or Customer requested delays of an Order Document will result in a charge equal to (a) thirty percent (30%) of the quoted or estimated costs and fees if relating to standard Services, Equipment or Rentals, and (b) one hundred percent (100%) of the quoted or estimated costs and fees if nonstandard or special Services, Equipment or Rentals, of the full purchase order price.

F. STARCOMM reserves the right to approve or reject the credit of any Customer and to establish credit terms for each Customer. STARCOMM may terminate this Agreement or modify credit terms at any time while furnishing Equipment, Services or Rentals to Customer without further liability if STARCOMM assessment, in STARCOMM's sole discretion, of Customer's financial condition materially changes.

G. Standard payment terms are net thirty (30) days after Customer's receipt of STARCOMM invoice, except as otherwise provided elsewhere herein. **All payments, unless otherwise specified in the proposal, work order, contract, notes to pricing or invoice referencing this Agreement or to which this Agreement is attached, shall be made in U.S. Dollars to STARCOMM at PO BOX 842364, Dallas, TX 75284-2364.** If credit or

payment terms are not met, in addition to its other legal rights, STARCOMM may (i) defer or cancel, at its option, further shipments or use of Equipment, the performance of Services or provision of service personnel, and (ii) charge Customer interest at the lesser of (a) eighteen percent (18%) per annum, or (b) the maximum rate permitted by applicable law, on the unpaid balance due. Customer will pay all of STARCOMM's costs, including attorney's fees and court costs, incurred in connection with the collection of past due amounts from Customer. Nothing herein shall be interpreted to prevent STARCOMM from claiming, filing or enforcing any liens when the rights thereto arise directly from Customer's failure to pay STARCOMM in breach of this Agreement.

H. Any expenses, charges, goods, inventory, equipment or other personal property provided to Customer by STARCOMM from or involving third parties shall be supplied to Customer at STARCOMM's cost, plus administration fee not to exceed twenty percent (20%), unless otherwise agreed to in writing.

I. Customer shall notify STARCOMM within five (5) business days after receipt of an invoice if Customer in good faith disputes all or some element of the invoice. Customer and STARCOMM shall promptly attempt to affect a resolution of any dispute. Notwithstanding the foregoing, Customer shall pay the portion of any invoice that is not disputed in good faith.

J. If Customer has a credit balance with STARCOMM, then STARCOMM shall be entitled to set off such credit against other amounts owed by Customer by providing Customer with written notice describing (i) the basis for such credit balance in reasonable detail, and (ii) how the credit will be applied. The terms of this section apply to, and includes, Customer's and STARCOMM's respective affiliates.

STARCOMM will use its commercially reasonable efforts to have Equipment ready for shipment by the agreed date, subject to receipt by STARCOMM of all necessary Customer information, including any approval of drawings. **HOWEVER, STARCOMM ASSUMES NO LIABILITY FOR DAMAGES INCURRED AS A RESULT OF ITS LATE DELIVERY OF EQUIPMENT, REGARDLESS OF CAUSE.** Unless otherwise agreed, delivery of Equipment will occur at the Departure Base. If Customer fails to inspect the Equipment immediately upon delivery, Customer shall be deemed to have accepted as delivered the Equipment.

3. Title and Risk of Loss. Title to, and risk of loss of, Equipment will pass to Customer upon shipment of Equipment ("FOB Shipping Point"). If STARCOMM has not received shipping instructions at the time of delivery or if Customer requests that STARCOMM store the Equipment until further instruction or if Customer does not inform STARCOMM of shipping instructions for other reasons, STARCOMM shall act as a bailee of such Equipment and may charge Customer its customary storage rates. During any such bailment, Customer will maintain all-risk property insurance on Equipment, at its replacement value, and STARCOMM will not be liable for deterioration or loss of Equipment resulting from atmospheric conditions, acts of God, or other events not within STARCOMM reasonable control.

E. Upon the expiration of the rental term, Customer will at its sole cost return or coordinate the return of the Equipment used in connection with a Rental to the facility designated by STARCOMM, in working condition, reasonable wear and tear excepted. Upon receipt, STARCOMM will service and inspect the Equipment, and in the event that STARCOMM determines any is materially damaged, then Customer shall be responsible for all costs for service work, inspections and parts required to bring the Equipment to good working condition.
